## Poultry Order 2022

It's time to place your order for our meat chickens and turkeys for 2022.

Our chickens are Jumbo Cornish X Rocks that typically weigh out at 5 pounds. We are maintaining our 2021 price of \$20/bird and require a \$5/bird deposit. Our whole chickens are perfect for roasting. We will also piece out the chickens for an extra cost. See the order form below.

Our first birds will arrive at the beginning of May and will be available mid to end of June. We plan to have chickens available for purchase until the end of October. Talk to us about scheduling your orders.

As always, we will let you know when your order is ready for pickup and your final cost when we begin processing the birds.

Please complete this order form and email, send, or bring it.
